

BRACKETS & CORBELS

Corbel - 1003 H. 10 1/2" W. 9" P. 7 1/4"

Bracket: A decorative projection on a wall supporting the upper members of a cornice, beam, or other overhang; called a console when used vertically and a modillion when used horizontally.

Applications: These castings have many creative uses as light sconces, wall planters and display accents.

Note: Brackets are not intended to provide structural support but can be made hollow to surround a structural support.
